

5/19/23  
To the Honorable Judge Thomas Parker,

RECEIVED

Referencing SB003:

MAY 19 2023

Wendy R Oliver Clerk  
U.S. District Court  
W.D. OF TN, Memphis

I know you know this is a bottom line issue. Kids have no place being put in a position of watching "Gay queens" that are actually goods. Our world has lost so much moral fiber. If you are 10 above & want to witness free speech perversion, God be at your own peril. The devil is alive & working hard for our children. Leave the young kids alone & God sees all & God be signed SB003. Drag dools signed to fight, ok, that's where fight. You are an earthly judge, but God knows your heart, HE is the ultimate Judge. Simply leave our young hearts alone.

Respectfully,

Dave Morgan
